Valereum Plc

("Valereum" or the "Company")

Issue of Employee Share Options

To create alignment across the senior management team Valereum Plc announces that it has awarded share options ("Options") over a total of 4,510,000 ordinary shares to the Head of VLRM Markets and Head of VLRM Technology Verticals. The Options are tax-advantaged options that require a minimum holding period of 2 years from the date of being granted to qualify for the full tax advantages and are subject to a lock-in period of 1 year from the date of issue of the Options. They are exercisable at a cost of £0.001 per share, expire after 10 years and will be forfeited in the event the employees leave the Company.

The awards ensure the senior executive team are now in line (excluding the CEO and Chairman). We anticipate no further awards being made to existing team members outside of the approved annual remuneration scheme, as announced in May this year.

Chairman, James Formolli, commented:

"I firmly believe that as we ensure our team is fully motivated and incentivised to develop Valereum Plc, they must be in line with the interests of our shareholders. This alignment of goals will benefit all involved as we move forward together."

"I'm excited about the rest of 2024 and what 2025 holds for Valereum Plc, as we continue building on momentum and execute our strategic vision".
