Valereum Plc Admission to Apex segment of the AQSE Growth Market

Valereum Plc (AQSE: VLRM), a fintech company seeking to unlock capital and create value in tokenised digital markets, both as a leading technology provider and as a marketplace operator, is pleased to announce that it is joining the Apex segment of the Aquis Stock Exchange ("AQSE" or "Exchange") with effect from market open today, 20 November 2024.

Nick Cowan, Valereum's CEO, commented:

"We are delighted to join the Apex segment of AQSE, we believe this change has a number of advantages and will bring benefits to Valereum's existing shareholders. The Apex segment of AQSE is designed for larger, well-established businesses and applies more stringent eligibility criteria to promote greater liquidity. This positioning will allow Valereum to strengthen its engagement with investors, drive growth, and uphold its dedication to the highest standards of corporate governance. AQSE has been an important part of the Company's development and the support that we have received from AQSE as one of the growth businesses on the Exchange has been vital to us."

Alasdair Haynes, Aquis Exchange PLC's CEO, commented:

"We are delighted to see Valereum move up to the Apex segment of the Aquis Stock Exchange Growth Market. It's fantastic to see how the company has progressed so far, and I am proud that Aquis can offer a tailored experience for growth companies that allows for increased exposure to investors at appropriate stages."

Further updates to follow in due course.
